

General Rules

1. Resorts World Catskills (“RWC”) reserves the right to add, delete, or change these Sports Wagering House Rules and/or payoff odds subject to approval of the New York State Gaming Commission (the “Commission”).
2. Patrons must be 21 years of age or older to place a wager or collect winnings.
3. The minimum amount for a sports wager is \$2 for wagers placed at a kiosk and \$5 for wagers placed with a cashier. The maximum wager amount permitted is based on the sport, league and type of wager to be placed. The maximum wager amount permitted will be specified on the screen of the kiosk, and at the cashier window, when the wager is placed. RWC does not guarantee that a wager for the maximum amount shall be accepted. Wagers may be made in cash, vouchers, gaming chips or validated wagering tickets of value or any other form of payment approved by the commission.
4. The maximum total payout for single winning wagering ticket for sports wagers placed with RWC is \$200,000 (the “Maximum Daily Pay-out”) and a maximum of \$25,000 paid in cash.
5. A winning wagering ticket shall be deemed lapsed and ineligible for payment one year after the date of the last sports event that forms the basis of such wager. The time stamp on wagering tickets is Eastern time zone.
6. RWC is not responsible for lost, stolen, altered or unreadable tickets. Lost or stolen ticket claims may be paid upon presentation of supporting information or documentation.
7. Winning tickets with a payout of less than \$10,000 may be redeemed for payment at a cashier window in RWC’s sports lounge. Winning tickets with a payout of \$10,000 or more may be redeemed for payment at a private cashier window located at RWC’s main casino cage. Winning tickets may also be redeemed by mail (see back of ticket for specific instructions to redeem by mail).
8. All wagers will be settled based on American odds.
 - American odds are expressed as whole numbers with a minus (-) or plus (+) sign in front of the number. The (-) and (+) on a sports betting line indicates both the prospective payout and whether the selection is the favorite or the underdog.
 - If the number is a (-), the odds indicate how much money will need to be wagered to win \$100 and it signifies the favorite on the betting line.
 - If the number is a (+), the odds indicate how much money could be won for every \$100 wagered and it signifies the underdog on the betting line.
 - The numbers are the manner in which the odds are expressed and does not indicate a minimum wager.
9. RWC reserves right to refuse the entire, or any part of a, sports wager for any reason at RWC’s sole discretion. Requested wagers may be reviewed, and an alternative price/line or wager may be offered at RWC’s sole discretion. RWC reserves the right to void any or all wagers made by any patron or group of patrons that RWC suspects are not in the best interests, or could affect the integrity, of sports, sports wagering, with NYSGC approval.

10. Sports wagers must be placed at a cashier window in the sports wagering lounge or at a sports wagering kiosk. Sports wagers will not be accepted through an agent or via email, telephone, fax, etc.
11. RWC reserves the right to refuse and/or cancel the whole, or any part of, a sports wager prior to the start of the event and to make ambiguous wagers void.
12. Patrons may not cancel or change a wager once the event has started or the event has been locked out. Patrons are responsible for verifying the wagering ticket for accuracy prior to leaving the sports wagering cashier window or sports wagering kiosk. Wagers placed at the Kiosk are final and cannot be canceled or voided. Once a wager is accepted, wagering tickets may not be altered or voided except at the discretion of RWC.
13. Generally, sports wagers will be accepted up to the start time of the contest. For the purposes of in-play wagers, patrons should be aware that transmissions described as "live" by some broadcasters may actually be delayed or pre-recorded. The extent of any delay may vary depending on the set-up through which pictures and/or data is received. In-play wagers may take longer to process.
14. RWC shall void any wagers received after the lock time disclosed for such wager. In addition, RWC reserves the right to void any wagers if it has reason to believe that such wager was placed after the outcome of the event, or partial event, on which the wager was placed is known or after the selected participant or team has gained a material advantage (e.g. a score, sending off etc.). RWC will not accept the past posting of wagers.
15. RWC shall not knowingly accept any wager from any prohibited sports pool participant. No prohibited sports pool participant is permitted to make such a wager or collect winnings from any such wager, which wager shall be deemed void. Any employee of a sports governing body or member team who is not prohibited from wagering must register with the Commission prior to placing a sports wager.

17. Fixed payout parlay card wagers must consist of at least three selections that have not become invalid or the wager will be void and will be refunded by RWC.
18. Events that have not started, are canceled in whole or in part or have not met the minimum length to be official, will result in straight wagers being refunded by RWC. Provided, however, that all wagers that have been settled prior to the time of cancellation will not be voided (i.e., if an event with 4 quarters is canceled after the first quarter has been completed, wagers on occurrences prior to the cancellation will remain valid). Parlay wagers that involve a cancelled event will reduce to the next lowest number of selections.
19. Dead-heat rules: If two, or more, selections finish in the same position, and no odds have been offered for a tied outcome (i.e., a dead-heat), the payout will be calculated by dividing the wager amount by the number of winners in the event. Examples: In a two-way dead-heat (2 winners), a

\$10 wager would become a \$5 wager; in a three-way dead-heat (3 winners), a \$9 wager placed at 10/1 would become a \$3 wager placed at 10/1. Provided, however, that the odds are not reduced.

20. Multiple wagers that could affect, or be affected by, each other will not be accepted and RWC reserves the right to cancel such wagers.
21. All information supplied by RWC Sportsbook is done so in good faith. However, RWC Sportsbook cannot accept liability for any errors or omissions in respect of any information, such as the posting of prices, runners, times, scores, results or general statistics.
22. The official result is final for settlement purposes except if specific rules provide otherwise.
23. Fraud and Collusion:
 - RWC reserves the right to treat multiple wagers as a single wager if a Patron places multiple wagers of the same bet. When this occurs, all wagers may be voided apart from the first wager placed. For example, if a selection is repeatedly included in multiple wagers involving other short-priced selections.
 - If RWC determines that there is a series of wagers each containing the same (or very similar) selection(s) having been placed by or for the same individual(s) or syndicate, RWC reserves the right to void such wagers and suspend betting. This rule applies to both settled and unsettled wagers.
 - RWC reserves the right, at its sole discretion, to restrict the total maximum pay out for the combined total of wagers placed by a patron who has played in a professional capacity, or in tandem with other patron(s) as part of a club, group, etc., or placed wagers in a coordinated manner with other patrons(s) involving the same (or materially the same) selections to the equivalent of the Maximum Daily Pay-out limit permitted for a single patron (as set forth in rule 4 above).
 - RWC Sportsbook is for sole use on an individual basis and for personal entertainment only.
24. RWC does not offer wagers on:
 - any collegiate sport or collegiate athletic event that takes place in New York or a sport or athletic event in which any New York college or university team participates regardless of where the event takes place (provided, however, that RWC may offer wagers on other games of a collegiate sport tournament or collegiate athletic tournament in which a New York college or university team participates, and on games of a collegiate sport tournament or collegiate athletic tournament that occur outside New York even though some of the individual games or events are held in New York);
 - any horse race;
 - any amateur or youth sports event, except collegiate sports events approved by the Commission;

- any event that is not a sports event; and

All Futures - Wager Types and Rules

Futures wagers are wagers for a specified team, person, etc. to win a specified future event. Examples include, but are not limited to: Pro Football Championship, US Open Golf Tournament, Daytona 500, etc.

- On futures wagers involving a recognized sporting organization - i.e. Pro Football Championship, Pro Baseball Championship, etc. - the winner, as determined by the league commissioner, chairman, or other authoritative officer at the conclusion of the event will be declared the winner for wagering purposes. If a university or college from the state of New York is declared the winner of a futures event, all wagers on the market will be deemed as a loss. Wagers will not be accepted on any New York collegiate sports team.
- Futures wagers that are originally offered seven (7) days or less from the start of the specified event may allow refunds on specific non-starters.
- Futures wagers that are originally offered more than seven (7) days from the start of the specified event will have NO refund (such event may have specific rules).
- All futures wagers are action regardless of team name changes or relocation.

Minimum Length of Play

For wagering purposes, unless otherwise stipulated in individual sports wagering rules, games are official after:

- BASEBALL (all) – five innings of play. If the home team is leading, the game is official after 4 ½ innings (this will include softball). Thereafter, if a game is called or suspended, the winner is determined by the score after the last full inning, unless the home team scores to tie or take the lead in the bottom half of the inning, in which case the winner is determined by the score at the time the game is called.
- FOOTBALL (pro and college) – 55 minutes of play.
- BASKETBALL (US pro) – 43 minutes of play; (US College, WNBA, NBA Summer League, European) – 35 minutes of play.
- HOCKEY (all) – 55 minutes of play.
- GOLF – the result is official for wagering purposes provided that at least one round has been completed by all players in the field.
- MOTOR RACING – All wagers will be settled according to the official governing body results reported at the conclusion of the race by the governing organization. Any changes to the finishing order, after the official result, that occurs based on appeals, penalties or scoring malfunctions, will be not be recognized.
- SOCCER- the full 90 minutes of play plus injury time for 3-way, goal line, and totals.
- BOXING and MIXED MARTIAL ARTS (all) – the bell (buzzer, etc.) is sounded signifying the start of the opening round, the bout is considered official for wagering purposes, regardless of the scheduled length. A full round is one in which the bell (buzzer, etc.) sounds, signifying the conclusion of the round. If a fighter is counted out or the bout is officially stopped prior to the next bell (buzzer, etc.), the round is not considered a full round for wagering purposes. A “half round” is the scheduled round divided by two. For example, 1:30 into the 6th round of a 3 minute per round fight is considered 5 ½ rounds for wagering purposes. If the fight ends exactly half way through the round, the “over” will be considered the winner.
- TENNIS – at least one set of the match must be completed.
- RUGBY – 80 minutes of play.
- ALL OTHER SPORTS – the conclusion of the scheduled length of play or scheduled time limit.

Wagers and proposition bets are offered to patrons and settled throughout the duration of games and events. Patrons are advised to check the individual sports rules sections for information on how wagers are settled because Minimum Length of Play rules do not relate to all wagers offered to patrons.
